SCP-682 is a humanoid former member of the SCP Foundation, and first appeared in the game Containment Breach when the first SCP to be retrieved from Site 12 was 682. SCP-682 has the ability to manifest it's human form, which is tall and thin with abnormally large hands. When it manifests as a humanoid, this half appears to be a normal human as they have normal skin and normal coloration, but when it manifests as a giant insect, it has green skin and is significantly larger, with its dimensions surpassing those of the original 682, as they have to stoop down to his height of 1.8 metres (6 feet) tall, but it has been seen towering at around.6 metres (2 feet). He stands 6.4 metres (21 ft) tall. It's eyes are always red, never changing, and it's skin tends to be green because of its bioluminescence. It is hairless except for a 'hairsplit' on its head. Some of it's joints ache whenever it tries to move its body. Its mouth has an uneven pattern of rows of teeth. Overview: Add-on installed by SCP Foundation.
