Icon Pack TV Series is a big pack of icons developed by me, the creator of this theme. The pack contains more than 40 PNG icons and all of them are included in the form of six different variants. Each of them includes a color background. It means that there are three versions of each item - ordinary, dark version and white background version of each icon. All icons are clean, sharp, sharp and detailed but also large. All of them work perfectly with the screen resolutions up to 1080x1920, meaning that each of them is displayed nicely on any monitor with a resolution of 1024x768 and 1280x1024. The pack also includes a transparent background for each icon. It means that there are two different versions of each item - the original and transparent background. The pack also includes a lot of items including Home, Applications, Documents, Pictures, Favorites, Music, Videos, Connections, Settings, Documents, Downloads, and Other folders. You can use each of them to modify the look and feel of the entire system. The pack includes icons for macOS Sierra and macOS High Sierra in both 32x32 and 64x64 resolutions. Named "International Emmy winner Jason Lieb", Jason's background includes directing, producing, animation, live action and visual effects. His serial work includes the Industrial Light & Magic/PIXAR collaboration, "Star Wars: The Force Awakens" and the political thriller "Pete & Danny - The First Bad Movie" written and directed by Michael Leavitt. His directing credits include "Flutter" (Oscar nominated), "Sky High" (Palm Award winner) and "Number One Spot" (Stellar Award winner). His company (Jason Lieb Studios, LLC) has been nominated for an Emmy and a Webby. Jason Lieb Studios recently completed 2D animation for Netflix's first season of "Lost in Space" (currently airing on the cable network). Jason is currently working on his first Disney/Pixar animated feature, "Libra Champion" in the making since 2011. Along with writing and directing, Jason teaches at California State University, Long Beach and has previously lectured at UCLA and UCLA Extension. {"id":564,"title":"Icon Pack 5.0 for iOS","handle":"icon-pack-5.0-for-ios","description":"\u003cp\u003eIcon Pack 5.0 is a huge set of icons set which was developed by the author of
