### Briefing:

The Adventurers who are to make great breakthroughs in the Land of Tales enter the race. They will converge on the Land Between to create new histories and futures during a period of time called the Great Era.

What is known as the "Steroid Era" of Dwarf City Wars has passed, and as a result, the demand for dwarven materials and weapons has begun to wane. Politicians and even well-off merchants are waiting to obtain rare, powerful weapons, due to the absence of forceful responsibilities. Without a doubt, the Elden Ring, the top company in the dwarven industry, is in a vulnerable position. It is now time for adventurers who have set their sights on the Elden Ring to leave their dreams behind and set off with a new goal in mind.

The Elden Ring knows not which direction the dwarf ancestral land has gone, yet its roots have become all-devouring by the time they ventured into the land of the living in the Lands Between in hope of discovering whether this land had deserted their ancestry.

Suddenly, the ground turned, and their world turned into a sea of lava. A wind began to blow from the upside-down sea of lava. They began to drown in the bottomless, dense blackness of the lava, and the tide of time began to turn. They were greeted by an unlimited number of calamities, which struck them down one after another. Their life's purpose suddenly came down to a choice between life and death.

One of those travelers decided to die in order to return from the dead. At the time of his arrival in the Land Between, he inquired about the fate of the Elden Ring with great anticipation, and he resolved to somehow help them regain their strength.

Whilst at the time of this apology, Elden Empire of Dwarfs was challenged. Surprised, they said, "The Elden Ring will help us, we will believe it."

Starting from what happened immediately after the original adventurers entering the land of the living began, a story of great importance and benefit was told to them.

The adventurers who went through those trials and received their strength
