What's new:

The Elden Ring, one of many Old Wastelands formed after the Rune Wars, is comprised of a band of 5 powerful Iron Lords, each led by the strongest Lord in the world.

Tomonaga, the one who was to become the Eldest Iron Lord, establishes a close relation with The King. And the leader of the land, King Ellendilar, assigns a new goal to The Brotherhood of Holy Light, the Elden Ring's allied guild: collecting power to become an Iron Lord, and then battling Haradim.

You become the thirteenth apprentice of an Iron Lord, and are granted powers by the courage of a past Iron Lord, who did everything for the good of the people, and from the great sword and shield of a legendary pair. In the World of Ruin where chaos has broken out, you will fight with those who are guaranteed to be by your side, and slowly obtain the freedom and strength that you need to take on the world that the gods have deserted.

A Fantasy Action RPG in which you can develop a classically strong character, summon powerful and colossal monsters, and explore a world brimming with adventure. The strongest class can always open their own peaceful world, and those without a title will fight shoulder-to-shoulder with a rare hero. Features include: Powerful Battles against Guaranteed Monsters, a World Where All Are Guaranteed by a True Hero, and a Quest for Freedom with Your Hero Character.

Done :) All the licenses are already pre-installed in the game, and you can download the license easily from the game's website, www.truebeast.com. I hope you like the game, and I also hope you give me your feedback. Thank you for playing. The new fantasy action role-playing game, "ELDEN RING," will be released on September 11, 2017. With the introduction of the new fantasy action role-playing game "ELDEN RING," you will be able to experience a rich fantasy world with a variety of towns, dungeons, and field environments, and be challenged by a huge number of enemies on a three-dimensional battlefield. For example, you might be able to use the item "Void Stone" to defeat hordes of monsters or "Sword of the Heavens" to overcome the Supreme

King himself! You will gradually rise up the tower of power by completing a series of quests. In addition to the main quest and the Tower of Power, the game also has an open world. You will be able to move freely between the main quest and the open world, such as traveling between areas, on foot, or on horseback. You will also be able to meet a variety of new characters and monsters. You can interact with the characters and take on side quests for a higher item level. You can use each class to play the main quest and select the best class for your style of play. You will also be able to create your own custom character and equip it with the equipment that you like. No matter how you play, you can customize your own character and style. Field dungeons will be enclosed by walls. You can freely travel between the open world and the field dungeons. Field dungeons are suitable for one-on-one combat. You can select the amount of

experience points that you gain when you fight monsters. You can also select whether you want to get experience points for defeating monsters. You will also be able to combine items. You can put items that you have obtained together for the best combination. The field

How To Crack:

Attention!

Please, don't forget to install the original trial version of the game first!

Extract the '.7z' file in one of the following easy steps and run the Setup.exe file.

After the setup is complete, please launch the product (click the green start icon).

To patch the game please locate the 'Patch.zip' file, right-click it and select 'Extract All' to extract the 'Patch.ace' file to a specified directory.

Go to the directory where you extracted the 'Patch.ace' file and open the GUI application. You'll be required to read and accept the EULA, if the licence file (c:\Patch101_R1.txt) is not present please create it.

Register the game in order to activate it.

After the registration, open 'Game.exe'.

Click the 'Additional Options' button. Then select 'Patch'.

Choose the 'Patch 101 (R1)' file from the list that appears.

Click 'OK'.

Wait until the game is patched (about 20-60 seconds).

Start the game.

Enjoy the life-altering experience of Elden Ring!
